| ● Screen projector (16 : 9) × 1 | ● Hand mic × 2 | |
| ● Podium × 1 | ● Laser pointer × 1 | ● Internet connection |
| ● Laptop (Windows10 × Office 365) × 1 | ● Mouse | |

◆ Arrangement of non-basic equipment

If you wish to use equipment other than those listed above, please contact the Show Management Office. We will make arrangements for a fee. Please note that we may not be able to make such arrangements due to the specifications of the venue.

◆ Confirmation of the environment for creating presentation data

Please check the OS and Office version when creating the data. Differences in the environment may cause display problems. If the environment used for data creation differs from the specifications of the PC used for the lecture (see above), we recommend that you bring your own PC.

◆ Bringing your own laptops

The connector shape for connection to the projector is "HDMI". If you bring a PC or mobile terminal that does not have this interface, you will need an adapter to convert it to the above connector. The Show Management Office will not provide these adapters, so please be sure to bring your own. Please note that there may be display malfunctions due to compatibility with the venue's equipment.

Please understand this in advance. Please take security measures when using the Internet.

◆ Connecting multiple laptops at the same time

The Show Management Office will provide one PC per venue. If you wish to use more than one PC, please bring your own PC for the second and subsequent PCs. However, please note that simultaneous projection is not possible.

Advance Preparation & Distribution of Materials at the Venue

If you distribute materials and questionnaires during your presentation, please indicate whether or not you will distribute them in the "Form B".

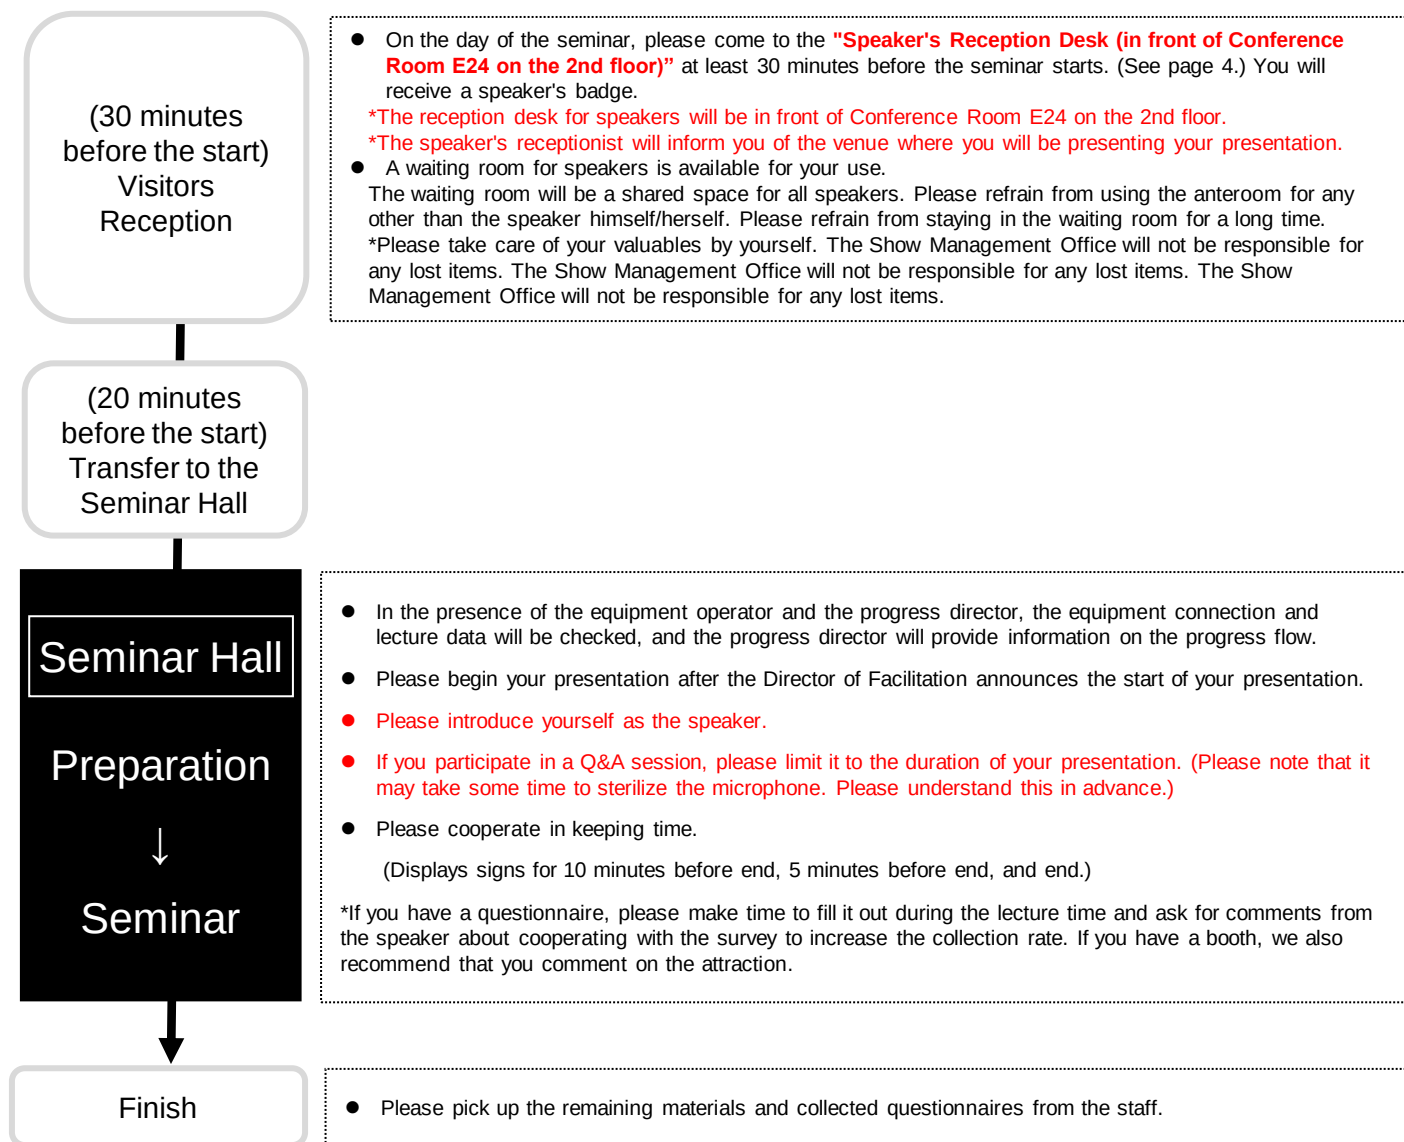

Notes about advance preparation

- Quantities must be prepared for the number of seats in the hall plus a reserve. (Please contact your sales representative for pre-registration status.)
- Each company is requested to prepare its own presentation materials for the audience. (The Show Management Office will not print the materials.)
- If you have multiple items to distribute (excluding questionnaires), please deliver them enclosed in a single folder or envelope in advance.
*The Show Management Office will not be able to provide the enclosing work. Please note that the Show Management Office will not be able to do this work at the venue on the day of the event.
- If you attach your business card to the questionnaire, **please affix double-sided tape beforehand.**
*If you do not attach double-sided tape to the business card attachment column, the Show Management Office's staff will not be able to pick up, distribute, or collect your business card. Please understand this beforehand.
- The collected questionnaires and remaining materials will be handed over to the person in charge or the presenter by our staff on the spot after the presentation, so please take them home with you. **Please note that the Show Management Office will not keep them or return them at a later date.**

Distribution method & Staff

- The Show Management Office's staff will distribute materials to the audience prior to the start of the lecture and collect questionnaires (novelties) after the lecture. (Due to measures to prevent coronavirus infection, the distribution method may be changed, such as placing materials on seats or setting up a box for collecting questionnaires, or the distribution of novelties may be discontinued.)

Flow of the Seminar

Notes

- Equipment connection test**
Only equipment connections will be checked prior to the start of the seminar.
***If you have a separate test or rehearsal, such as for a complex demonstration, please contact the Show Management Office (in charge of the program, see p. 3) in advance.**
- Remaining copies of collected questionnaires and handouts to be used**
After the seminar, the staff will give the materials to the person in charge or the speaker on the spot, so please take them home with you.
Please note that the Show Management Office will not be able to keep or send the materials.
- Visiting by related persons**
Three seats will be provided in front of the podium for each session (including the speaker), but please bring a minimum number of attendees in order to prevent new coronavirus infection.
- Photographing**
 - Photographing by visitors is prohibited.
 - Please cooperate with the filming by the media (wearing a filming armband) and the recording by the Show Management Office if the Show Management Office allows them to do so.
If you do not allow the media to enter the room or take photographs, please register the relevant items in the "1. Title of Lecture/Speaker Information" in advance.
 - If you film your own session, please ask at the speaker registration desk for an armband for filming.

Move-in of Seminar Handouts (courier service)

When making arrangements to send out materials for distribution, please refer to the following instructions on how to fill out the slip for smooth sorting at the venue.

Note on shipping seminar handouts by courier service

- Handouts for your presentation will be distributed after receipt by the Show Management Office and managed by the Show Management Office until the start of your company's session. Remaining handouts will be returned to the person in charge after the presentation.
- In order to avoid any possible mishandling of the distributed materials, please make a note of the slip number (number of distributed materials to be sent) and bring it with you to the venue.
- The Show Management Office and the venue will not be responsible for any loss/theft, damage, or malfunction.
Please understand this in advance.
- If you bring in the exhibition in person, please bring it directly to the [Exhibition Hall D (Room D011) Show Management Office] (see p. 4) by the morning of November 15 (Tue.).

How to fill out the form for sending the handouts for the seminar by courier service

1. Handling of personal information provided by the Company to exhibitors

We will provide visitor's personal data (business card information) to the exhibitors of the session concerned. The personal data will be provided in a secure manner after the visitor agrees to the following. The personal data will be provided in a secure manner after the exhibitor agrees to the terms and conditions of the "Confirmation of Data Transfer" (sample text: https://frm.f2ff.jp/edgetech22/Agreement_E.pdf) All personal data will be handled under the responsibility of the exhibitor and in compliance with the Act on the Protection of Personal Information and other applicable laws and regulations.

2. Delivery Date

Two delivery dates are scheduled: one week after the end of the real event session and one week after the end of the on-demand delivery. Delivery may be delayed due to unforeseen circumstances. Please understand this in advance. Data acquisition information will be sent by e-mail to the person in charge of exhibits.

3. Deliverable Item

Personal information to be delivered will include name, name (furigana), company name, company name (furigana), department, position, address, telephone number, and e-mail address. However, the visitor data to be delivered will be the same as that registered by the visitor himself/herself, so there may be some incompleteness. The Show Management Office will not clean the data or translate it into other languages. Please understand this in advance. The file format for delivery will be CSV.

In addition to the above personal information, we will deliver data with each visitor's action history (flags).

- Advance registration
- Real auditing
- Video viewing of on-demand delivery/downloading of materials (only for the second delivery after the on-demand delivery is completed)

*There is a limit to the number of data to be delivered. Data in excess of the limit can be purchased for a fee. For details, please contact your sales representative.

*The second delivery of data after the on-demand delivery is an updated version of the first delivery.

Only the difference is not provided.

4. Other Notes

This service does not guarantee data integrity.

The following personal information data will be deleted during the scrutiny phase and will not be provided.

- Data from participants who have refused to provide personal information after registration
- Data whose registration session has been changed or cancelled by the visitor's request after registration
- Data deemed necessary to be deleted for reasons other than those listed above for the protection of personal information or for operational reasons
- In case of reading barcodes not used for this event, reading errors, or no visitor data associated with the badge code, etc.

About Handling of Personal Information

Handling of Exhibitors' Personal Information by the Show Management Office

The Embedded Systems Technology Association of Japan (JASA), the organizer of this event, has entrusted the handling of personal information to the Show Management Office, NANO OPT Media, Inc. The handling of personal information is governed by the "Personal Information Protection Policy" and the "Privacy Policy" set forth by the Show Management Office itself.

The Show Management Office will supervise the appropriate management of personal information in accordance with the "Personal Information Protection Policy" and the "Privacy Policy" set forth by the Show Management Office itself.

- The personal information you provide in the various submission forms in accordance with the Exhibitor Manual will be used by the Show Management Office to send you administrative communications regarding the submitted forms.
- We may use the information you provide to send you information about IT-related conferences, exhibitions, events, and related marketing services handled by the Show Management Office, but we will not disclose or provide your registered personal information to any third party without your consent.
- Please be advised that we may outsource the handling of your personal information to companies selected by the Show Management Office for the purpose of sending you information. In such cases, we will supervise the contractor to ensure that the personal information is handled appropriately.

Notes about Exhibitor Name

Exhibitor names will be listed as a list of participating companies on the official website, in the event pamphlet, exhibition hall map, and other printed materials. Basically, the names of exhibitors will be listed based on the company name entered in the application form. The following are the rules regarding the use of company names for exhibitors.

- Nonation of Legal Entity
 - To make it easier for visitors to see the company name in the list of companies, etc., we will use abbreviated names. Corporate names such as "Kabushiki Kaisha, Inc." will not be listed in either Japanese or English.
 - Since the main purpose is to be listed in the list of participating companies for visitors to index the company name, "product/service names" are not allowed to be listed in place of the company name.
 - Environment-dependent characters are not allowed.
- In the case of a joint exhibition by two companies, the following description options are available (Example: Company A is the main exhibitor)
 - 1) For 2 companies including the main exhibitor
The name of each exhibiting company should be separated by "one-byte spaces, one-byte slashes, and one-byte spaces" and written together.
Ex.) 「Company A / Company B」
 - 2) For 3 or more companies including the main exhibitor
Alphabetical listing of main exhibitors as follows
Ex.) Company A
 -Company B
 -Company C
- Rules for Domestic/International Exhibitors
In principle, even if a company is a foreign company, it will be treated as a "domestic exhibitor" if it has a Japanese corporation or branch office in Japan, otherwise it will be treated as an "overseas exhibitor".

If you have any questions, please contact the Show Management Office.

Exhibitors shall not do any of the following acts without prior written consent of the Organizer:

(For participation in a seminar, the term “exhibitor,” “exhibition” or “exhibition space” being hereinafter replaced with “presenter,” “presentation” or “presentation space”)
