3. Delivery of visitor leads

1) Handling of personal information provided by us to exhibitors

We will provide exhibitors business card information of visitors that they have read in their booths. 【Agreement on Obtaining of Personal Information】 (please review the sample https://frm.f2ff.jp/event-jp/images/Agreement_E.pdf) after receiving your consent, we will provide it to you with security precautions.

All personal information provided should be handled under the management responsibility of each exhibitor and in compliance with the Personal Information Protection Law and other applicable laws and regulations.

2) Providing visitor's data

AiManager account information will be sent to the person in charge by the AiMeet office prior to the event, Pre-registered visitor data can be viewed and retrieved in real time on the AiManager page during the event.

3) Deliverable items

The items to be delivered are the date and time of data reading and personal information: name, name (furigana), corporation name, corporation name (furigana), department, title, address, telephone number, and e-mail address. However, the visitor data to be delivered will be the data as registered by the visitor himself/herself, so there may be some inadequacies. The secretariat will not clean the data or translate it into other languages. Please understand this in advance. The file format for delivery is CSV.

In addition to the above personal information, we will deliver data with each visitor's action history.

- . Date and time of booth visit.
- . documents download.
- . notes you take at the time.

4) Other precautions

This service does not guarantee data integrity, We recommend exchanging business cards in conjunction with the use of this service, The following personal information data will be deleted during the scrutiny phase and will not be provided.

- . Data from visitors who have refused to provide personal information after registration.
- . Data deemed to be deleted by the show management office.
- . If a barcode not used for this event is read or if there is a reading error, In addition, if there is no visitor data associated with the badge code, etc.

※ Leads for seminars will be delivered by the end of the next week. Please understand this in advance.
