Exhibitor's Website

<https://forest2.f2ff.jp/20250601/?lang=en>

We will send an invitation to set up a login ID/password to the e-mail address of the person in charge. Please set up your login ID and password by yourself by clicking on the "Set Login ID/Password" URL provided in the e-mail.

Notes on submissions

1. Exhibitor Logo data

Please upload outlined eps or ai files, or high-resolution JPEG format data.

If the logo data is different for the web (RGB) and for printed materials (CMYK), please submit both.

2. Speaker's Photo data

Please upload your photo data (color, high resolution JPEG format) taken of your upper body.

3. Speaker Information / The presentation title and abstracts

We will publish some of the information you have entered on the official website, products etc.

However, in order to ensure uniformity in legal entity status and format, Show Management Office may adjust the input contents. In addition, corporate status will be omitted from the list of participating companies.

Please enter this information in both Japanese and English.

*Please check the exhibitor's website for details on the registration items.

4. PC Equipment / Handout Information

Please input the information such as the seminar equipment to be used and the content of the seminar as much as possible.

5. How to Visit

In case of visiting by car (excluding taxi) we will send "Vehicle pass" in advance.

6. Presentation data

Please make it in PPTX format (PowerPoint 2007 or later). If you are using applications other than PPT, please submit in PDF form. We will erase your data after the session is over.

When creating data, please specify slide size specification to 16: 9.

※ The simultaneous interpretation from English into Japanese will be provided for your audience during your session. Therefore, we would like to have your presentation materials by the above-mentioned due date as the interpreters need to prepare beforehand.

2. Other than the item (1) above, any nuisances to the Organizer, other participants or visitors;
3. Violation of law, act against public policy, infringement on intellectual property right, portrait right, right to privacy, reputation or any other right or interest of the Organizer or a third party (including other participants or visitors; the same applies hereinafter), torts, criminal offense or any other act related thereto;
4. Transfer or resale of the right to use all or part of the exhibition space or sublease of all or part of exhibition space;
5. Reverse engineering, decompiling, disassembling, duplication, alteration, adaptation, addition, processing or change of computer systems, computer networks, software, equipment, device or facilities or technical information related there to that is/are required to hold or operate the Event (collectively, hereinafter referred to as the “System”);
6. Access to the System for the following purposes:
 *For benchmark of the System including measurement of availability, capability or functionality of the System;
 *For competing purpose including development of a product or service to compete with the Event or the System; or
 *For duplication of feature, function or graphics of the Event or the System;
7. Act that places excessive burden on the System;
8. Act to obstruct or are likely to obstruct management or operation of the Event or the System;
9. Unauthorized access, compromise, hacking or cracking to the System or any attempt thereof;
10. Act to interfere with or snarl accuracy, integrity, safety, utility or legality of the Event, the System or data of or relating to a third party contained in the System;
11. Use of other participant’ s ID or password, or participation in the Event or use of the exhibition space by impersonating a third party or by using anyone else’ s name or a fictitious name;
12. Promotion, advertising, soliciting or business activity at the Event or through the System without prior permission of the Organizer;
13. Collection of information on other participant (including registered items and personal information);
14. Act that brings, or causes detriment, damages, loss or unpleasantness to the Organizer or a third party;
15. Storing, sending, transmitting or making available for transmission the information that falls or the Organizer deems to fall into any of the following categories:
 *Information containing excessively violent or cruel expression
 *Information containing computer virus, computer worm, Trojan horse, time bomb, spyware or any other detrimental computer program;
 *Information containing expression that defames, or damages the credit of, the Organizer or a third party;
 *Information containing excessively obscene expression;
 *Information containing expression promoting discrimination;
 *Information containing expression promoting suicide or self-injury;
 *Information containing expression promoting inappropriate use of drug;
 *Information containing expression that gives unpleasantness to others;
 *Information for the purpose of the first encounter with a person of the opposite sex;
 *Information requesting the spread of some information to a third party such as chain mail; and
 *Information containing antisocial expression;
16. Giving benefits to antisocial forces such as organized crime group, or any other act that promotes activities of antisocial forces or that is suspected to contribute to the operation of antisocial forces;
17. Act that conflicts or may conflict with the rules regarding the Event or use of the System;
18. Act that, directly or indirectly, causes or facilitates any act set forth in the items 1. through 17. above; and
19. Any other act that is deemed by the Organizer to be inappropriate.

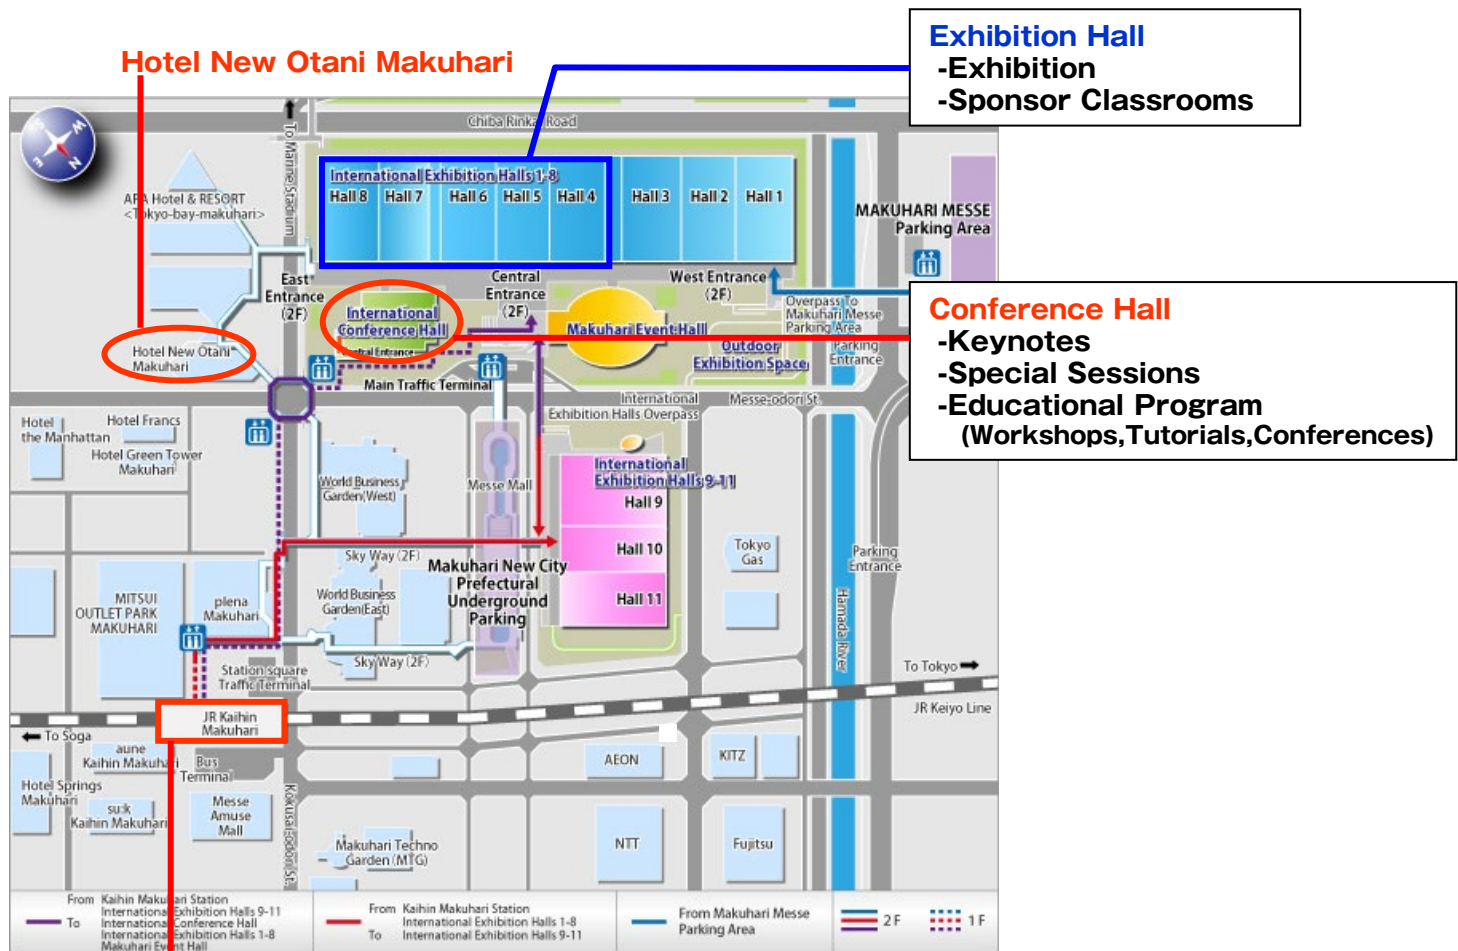

If the Organizer judges that an exhibitor is likely engaging in any act set forth above, the Organizer may check the usage conditions, status, situation and the like regarding the exhibition space, and may take any measures that it thinks appropriate including suspension of exhibition by the exhibitor (provided, however, that the Organizer shall not be required to take such measure.). Even if such measure taken by the Organizer causes damages, loss or expenses to the exhibitor or any third party, the Organizer shall not be liable for any such damages, loss or expenses in any respect.

[Service Facilities]

Please refer to the official site of Makuhari Messe for details.

<https://www.m-messe.co.jp/en/facility/index.html>

Standard Equipment

- Podium × 1
- Presentation PC (Lap top) *Windows 11, Microsoft Standard 2021, Japanese Version with mouse
- 275 inch Screen (16 : 9) × 1
- Projector (up to WUXGA/ connector endview : HDMI) × 1
- Internet connection (ShowNet) × 1
- Microphone × 1
- Laser pointer × 1

- Equipment arrangements other than basic equipment

If you use other equipment, please consult Show Management Office. We will arrange it for a fee. Please note that we might not be able to arrange, due to the specifications of the venue.

- Confirmation environment of session data creation

Please confirm OS and Office version when creating. Because there is a possibility that trouble may appear on display due to environmental difference, If the environment for data creation and the specification for session PC (described above) are different, we recommend bringing in a PC.

*When creating data, **please specify slide size specification to 16: 9.**

- In case of bringing a session PC

The shape of the connector to projector is **HDMI**. If you bring in a PC or mobile terminal that does not have the corresponding interface, please bring a conversion adapter to the above connector. Depending on the compatibility with the venue equipment, please note that trouble might appear on the display. Internet access is wired, so if you have a PC without a LAN port, please bring an adapter to convert it to Ethernet. Show Management Office will not provide it, so be sure to bring it in. Also, please use security measures when using the Internet.

- In case of connecting multiple PCs simultaneously

The PC prepared by Show Management Office is one per venue. If you are using more than one PC, please bring your own personal computer after the second one. However, please note that simultaneous projection is impossible.

Preliminary preparation · Procedure for distributing materials at the venue

Show Management Office's staff will support distribution and collection of your brochures, attendee survey on site. If you would like to distribute session materials and corporate outline at the time of the session, please fill in the details in the "[PC Equipment / Handout Information](#)" section on the exhibitor's website and prepare as follows.

● Important notice on advance preparation

- Please prepare session materials for audiences at each company. (Show Management Office will not print materials)
- Regarding the quantity, please prepare the required number based on the number of seats at the venue (500 seats) plus a reserve (approximately 20 copies), and refer to the pre-registration status of your company's sessions.
*Please contact each sales representative for pre-registration status.
- Distributing materials have to be one set including survey. If you have more than one distributing item, please enclose them in the envelope or proper bag prior to the show. There is no space for enclosing distributing materials on site and Show Management Office will not enclose materials.
- In case of setting up a business card pasting column in questionnaire, please paste double-sided tape in advance.
- The collected questionnaire and the rest of the materials will be delivered to the booth by the staff. If you do not have a booth, we will give them to the person in charge or the speaker at Show Management Office so please be sure to drop in at Show Management Office after the seminar. Please note that we can not keep them for a long time at Show Management Office or return at a later date.

● Distribution of materials / Staff

Distribution of materials to audiences before the start of the session will be carried out by Show Management Office's staff.

● Notes on simultaneous interpretation session

The meeting time with interpreters will be announced separately from Show Management Office around late May. **We will share the session materials with interpreters, so please submit it until the deadline.** Please also cooperate in submitting both documents in case of preparing materials both in Japanese and English.

Simultaneous interpretation receivers will be distributed by Show Management Office's staff.

Please use "courier" for carrying in / out. Please understand that we can not accept to carry in / out by deliveries without hiring a courier company, such as charter service due to loading / unloading exit at the venue. Please confirm the following and arrange for sending. If you bring it directly, paste the package label and bring it to Conference Show Management Office at room 205 on the second floor in the International Conference Hall. Also, please refrain from bundling with other items than the keynote session.

When sending distribution to the venue via delivery services, please make sure to specify the delivery date.

Delivery date	<u>Delivery date : June 10 AM</u>
Receiver's address	Event Name: <u>Interop Tokyo 2025</u> Session No.: <u>xxxx</u> Exhibitor Name: <u>xxxxxxxxxxxxxxxxxx</u> Conference Show Management Office (Room 205) International Conference Hall 2-1 Nakase, Mihama-ku, Chiba 261-8550, Makuhari Messe TEL : +81-3-6258-0587

■ Loading

When ordering package delivery, please fill out the necessary information on the material sending label and paste it on each package for sorting smoothly at the venue.

<Notes on sending arrangement>

After accepting the package at Show Management Office, the staff will manage and distribute the package until the start of your session.

Please note that Show Management Office and venue are not responsible for lost / stolen, damage / malfunction etc.

On-site Schedule (tentative)
