Best of Show Award

Interop®26 Tokyo JUNE 10-12 MAKUHARI MESSE, JAPAN

Entry Manual

Event Dates June 10 (Wed.) – June 12 (Fri.) ｜Makuhari Messe, Chiba JAPAN

1．Best of Show Award

“Best of Show Award” is one of the most famous events of Interop Tokyo.
The judging committee will review the latest products entered by exhibitors in each category and determine the Grand Prix.
The review committee is highly authoritative and credible because it is composed of key persons from leading media companies and experts in the academic world.

Participating and winning an award at this event will increase the exposure, credibility and prestige of your products and company.
*The winning companies will also receive a trophy at a later date.

Furthermore, award-winning results and products will be featured at various locations during Interop Tokyo.

2. Entry Process and Judging Schedule

The judging committee, consisting of key persons from leading media companies and academics, will review the selected new products entered by exhibitors to determine the "Product of the Year".
Which product will win the prestigious award after discussions from numerous entries, through the finalist judging panel, to the main judging on the day of the competition?
It is truly a major event for the entire industry and will be held again this year.

***Only exhibitors at Interop Tokyo 2026 are eligible for this entry.**

1. Late April – May 22 (Fri.) : Entry Period
2. Late May : Announcement of entries (available on the official website)
   (FY2025 Reference URL → Entry List | Interop Tokyo 2025)

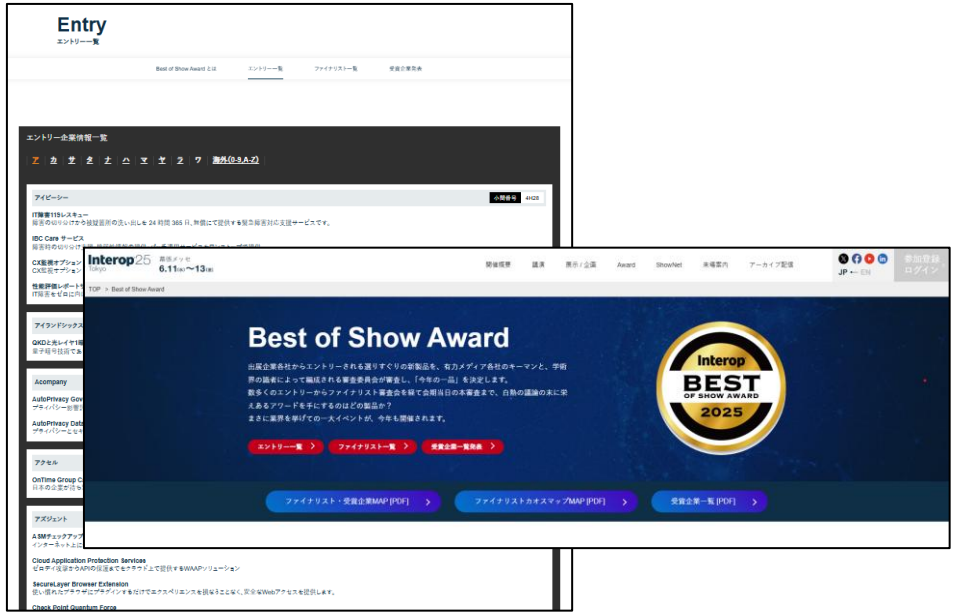
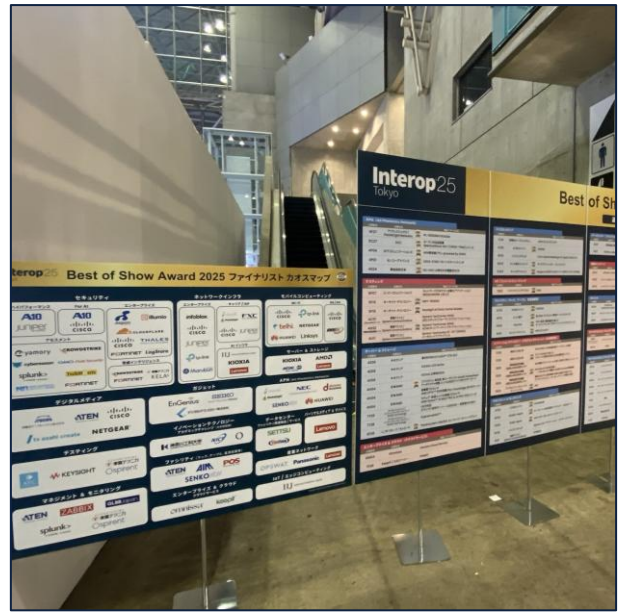
6. Benefits of entering



launch a special Awards page on our official website, and post the names and descriptions of the entered products



During the event, we will display the chaos map of finalists featuring the logos of the nominated companies, as well as panels listing the finalist products, at several locations throughout the venue.

Companies nominated as finalists or awarded prizes will receive pop-up signs and tabletop displays that can be used to promote their booths.
