2. Method of delivery: Personal data will be able to be downloaded from the Exhibitor's web site or secure file transfer system.
3. Data format: Exel file (The data is processed in Japanese)

3. Prohibited Acts

Exhibitors shall not do any of the following acts without prior written consent of the Organizer:

(in case of participation in the Event by making, giving or holding a presentation or seminar, the term “exhibitor,”
“exhibition” or “exhibition space” being hereinafter replaced with “presenter,” “presentation” or “presentation space”)

1. Exhibition, display, introduction, distribution or any other business activity of or relating to products or services that are deemed by Organizer to be inappropriate in light of the purpose of the Event or to prevent the smooth progress of the Event such as nuisances to other participants or visitors;
2. Other than the item (1) above, any nuisances to the Organizer, other participants or visitors;
3. Violation of law, act against public policy, infringement on intellectual property right, portrait right, right to privacy, reputation or any other right or interest of the Organizer or a third party (including other participants or visitors; the same applies hereinafter), torts, criminal offense or any other act related thereto;
4. Transfer or resale of the right to use all or part of the exhibition space or sublease of all or part of exhibition space;
5. Reverse engineering, decompiling, disassembling, duplication, alteration, adaptation, addition, processing or change of computer systems, computer networks, software, equipment, device or facilities or technical information related thereto that is/are required to hold or operate the Event (collectively, hereinafter referred to as the “System”);
6. Access to the System for the following purposes:
 - *For benchmark of the System including measurement of availability, capability or functionality of the System;
 - *For competing purpose including development of a product or service to compete with the Event or the System; or
 - *For duplication of feature, function or graphics of the Event or the System;
7. Act that places excessive burden on the System;
8. Act to obstruct or likely obstruct management or operation of the Event or the System;
9. Unauthorized access, compromise, hacking or cracking to the System or any attempt thereof;
10. Act to interfere with or snarl accuracy, integrity, safety, utility or legality of the Event, the System or data of or relating to a third party contained in the System;
11. Use of other participant’s ID or password, or participation in the Event or use of the exhibition space by impersonating a third party or by using anyone else’s name or a fictitious name;
12. Promotion, advertising, soliciting or business activity at the Event or through the System without prior permission of the Organizer;
13. Collection of information on other participant (including registered items and personal information);
14. Act that brings, gives or causes detriment, damages, loss or unpleasantness to the Organizer or a third party;
15. Storing, sending, transmitting or making available for transmission the information that falls or the Organizer deems to fall into any of the following categories:
 - *Information containing excessively violent or cruel expression
 - *Information containing computer virus, computer worm, Trojan horse, time bomb, spyware or any other detrimental computer program;
 - *Information containing expression that defames, or damages the credit of, the Organizer or a third party;
 - *Information containing excessively obscene expression;
 - *Information containing expression promoting discrimination;
 - *Information containing expression promoting suicide or self-injury;
 - *Information containing expression promoting inappropriate use of drug;
 - *Information containing expression that gives unpleasantness to others;
 - *Information for the purpose of the first encounter with a person of the opposite sex;
 - *Information requesting to spread some information to a third party such as chain mail; and
 - *Information containing antisocial expression;
16. Giving benefits to antisocial forces such as organized crime group, or any other act that promotes activities of antisocial forces or that is suspected to contribute to the operation of antisocial forces;
17. Act that conflicts or may conflict with the rules regarding the Event or use of the System;
18. Act that, directly or indirectly, causes or facilitates any act set forth in the items 1. through 17. above; and
19. Any other act that is deemed by the Organizer to be inappropriate.

If the Organizer judges that an exhibitor is likely engaging in any act set forth above, the Organizer may check the usage conditions, status, situation and the like regarding the exhibition space, and may take any measures that it thinks appropriate including suspension of exhibition by the exhibitor (provided, however, that the Organizer shall not be required to take such measure.). Even if such measure taken by the Organizer causes damages, loss or expenses to the exhibitor or any third party, the Organizer shall not be liable for any such damages, loss or expenses in any respect.
