4. Transfer or resale of the right to use all or part of the exhibition space or sublease of all or part of exhibition space;
5. Reverse engineering, decompiling, disassembling, duplication, alteration, adaptation, addition, processing or change of computer systems, computer networks, software, equipment, device or facilities or technical information related thereto that is/are required to hold or operate the Event (collectively, hereinafter referred to as the “System”);
6. Access to the System for the following purposes:
 - *For benchmark of the System including measurement of availability, capability or functionality of the System;
 - *For competing purpose including development of a product or service to compete with the Event or the System; or
 - *For duplication of feature, function or graphics of the Event or the System;
7. Act that places excessive burden on the System;
8. Act to obstruct or likely obstruct management or operation of the Event or the System;
9. Unauthorized access, compromise, hacking or cracking to the System or any attempt thereof;
10. Act to interfere with or snarl accuracy, integrity, safety, utility or legality of the Event, the System or data of or relating to a third party contained in the System;
11. Use of other participant’ s ID or password, or participation in the Event or use of the exhibition space by impersonating a third party or by using anyone else’ s name or a fictitious name;
12. Promotion, advertising, soliciting or business activity at the Event or through the System without prior permission of the Organizer;
13. Collection of information on other participant (including registered items and personal information);
14. Act that brings, gives or causes detriment, damages, loss or unpleasantness to the Organizer or a third party;
15. Storing, sending, transmitting or making available for transmission the information that falls or the Organizer deems to fall into any of the following categories:
 - *Information containing excessively violent or cruel expression
 - *Information containing computer virus, computer worm, Trojan horse, time bomb, spyware or any other detrimental computer program;
 - *Information containing expression that defames, or damages the credit of, the Organizer or a third party;
 - *Information containing excessively obscene expression;
 - *Information containing expression promoting discrimination;
 - *Information containing expression promoting suicide or self-injury;
 - *Information containing expression promoting inappropriate use of drug;
 - *Information containing expression that gives unpleasantness to others;
 - *Information for the purpose of the first encounter with a person of the opposite sex;
 - *Information requesting to spread some information to a third party such as chain mail; and
 - *Information containing antisocial expression;
16. Giving benefits to antisocial forces such as organized crime group, or any other act that promotes activities of antisocial forces or that is suspected to contribute to the operation of antisocial forces;
17. Act that conflicts or may conflict with the rules regarding the Event or use of the System;
18. Act that, directly or indirectly, causes or facilitates any act set forth in the items 1. through 17. above; and
19. Any other act that is deemed by the Organizer to be inappropriate.

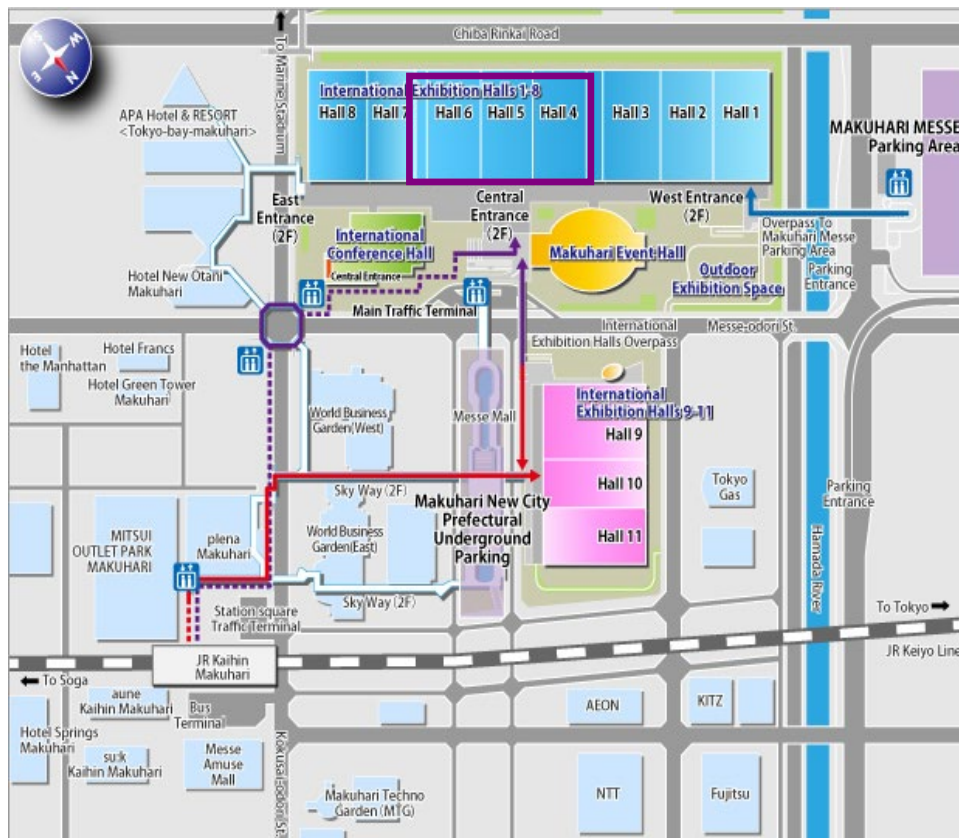

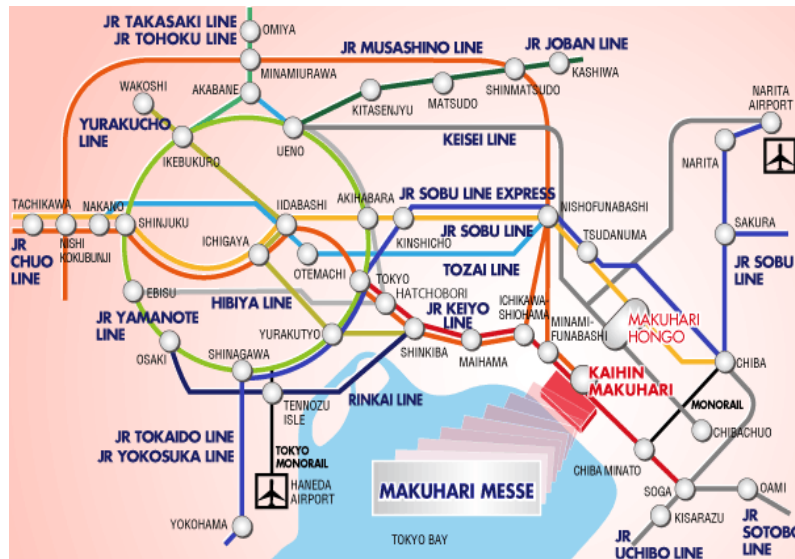

If the Organizer judges that an exhibitor is likely engaging in any act set forth above, the Organizer may check the usage conditions,

status, situation and the like regarding the exhibition space, and may take any measures that it thinks appropriate including suspension of exhibition by the exhibitor (provided, however, that the Organizer shall not be required to take such measure.). Even if such measure taken by the Organizer causes damages, loss or expenses to the exhibitor or any third party, the Organizer shall not be liable for any such damages, loss or expenses in any respect.

<https://www.m-messe.co.jp/en/facility/index.html>

Standard equipment

- Podium × 1
- Presentation PC (Lap top)*Windows 10, Microsoft 365, Japanese Version
- 120-180 inch Screen (16 : 9) × 1
- Projector (up to XGA/ connector endview : HDMI) × 1
- Internet connection (ShowNet) × 1
- Microphone × 1
- Laser pointer × 1

- Equipment arrangements other than basic equipment

If you wish to use other equipment, please consult the secretariat. We will arrange it for a fee. Please note that we might not be able to arrange, due to the specifications of the venue.

- Confirmation environment of lecture data creation

Please confirm OS and Office version when creating. Because there is a possibility that trouble may appear on display due to environmental difference, If the environment for data creation and the specification for lecture PC (described above) are different, we recommend bringing in a PC.

- In case of bringing a lecture PC

The shape of the connector to projector is **HDMI**. If you bring in a PC or mobile terminal that does not have the corresponding interface, you need a conversion adapter to the above connector. The secretariat will not provide it, so be sure to bring it in. Depending on the compatibility with the venue equipment, please note that trouble might appear on the display. Also, please use security measures when using the Internet.

- In case of connecting multiple PCs simultaneously

The PC prepared by the secretariat is one per venue. If you are using more than one PC, please bring your own personal computer after the second one. However, please note that simultaneous projection is impossible.

Preliminary preparation · Procedure for distributing materials at the venue

Management Office staff will support distribution and collection of your brochures, attendee survey on site. If you would like to distribute lecture materials and corporate outline at the time of the lecture, please prepare it in the following manner after entering the details in No4 “PC equipment information” on “Keynote Speaker”.

- **Important notice on advance preparation**

- Please prepare lecture materials for audiences at each company. (The secretariat will not print materials)
- Regarding the quantity, please prepare the number of venue seating plus spare parts. (Please contact each sales representative for pre-registration status.)
- Distributing materials have to be one set including survey. If you have more than one distributing item, please enclose them in the envelope or proper bag prior to the show. There is no space for enclosing distributing materials on site and the secretariat will not enclose materials.
- In case of setting up a business card pasting column in questionnaire, please paste double-sided tape in advance.
- Please provide appropriate number of sets by asking the registration status to our sales staff.
- The collected questionnaire and the rest of the materials will be delivered to the booth by the staff. If you do not have a booth, we will give them to the person in charge or the speaker at the secretariat so please be sure to drop in at the secretariat after the lecture. Please note that we can not keep them for a long time at the secretariat or return at a later date.

- **Distribution of materials /Staff**

- Distribution of materials to audiences before the start of the lecture will be carried out by the secretariat staff.

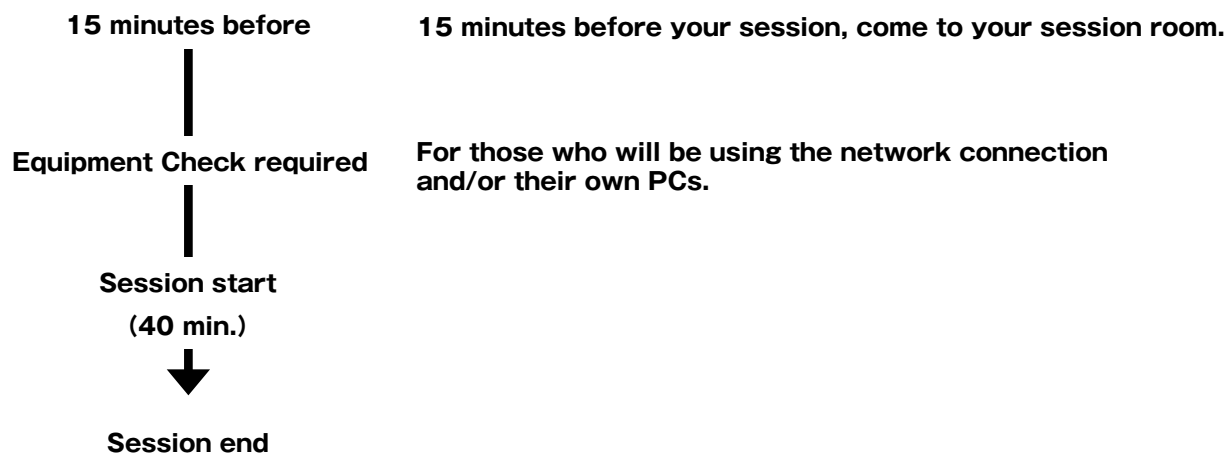

Distribution of brochures, survey, etc.

Management Office staff will support distribution and collection of your brochures, attendee survey on site. Distributing materials have to be one set including survey. If you have more than one distributing item, please enclose them in the envelope or proper bag prior to the show. There is no space for enclosing distributing materials on site. Please provide appropriate number of sets by asking the registration status to our sales staff. When sending distribution to the venue via delivery services, please make sure to specify the delivery date.
