## Standard Equipment

- Podium × 1
- Presentation PC (Lap top)\*Windows 11, Microsoft Standard 2021, Japanese Version with mouse
- 275 inch Screen (16 : 9) × 1
- Projector (up to WUXGA/ connector endview : HDMI) × 1
- Internet connection (ShowNet) × 1
- Microphone × 1
- Laser pointer × 1

- Equipment arrangements other than basic equipment

If you use other equipment, please consult Show Management Office. We will arrange it for a fee. Please note that we might not be able to arrange, due to the specifications of the venue.

- Confirmation environment of session data creation

Please confirm OS and Office version when creating. Because there is a possibility that trouble may appear on display due to environmental difference, If the environment for data creation and the specification for session PC (described above) are different, we recommend bringing in a PC.

- In case of bringing a session PC

The shape of the connector to projector is **HDMI**. If you bring in a PC or mobile terminal that does not have the corresponding interface, you need a conversion adapter to the above connector. Internet access is wired, so if you have a PC without a LAN port, please bring an adapter to convert it to Ethernet. Show Management Office will not provide it, so be sure to bring it in. Depending on the compatibility with the venue equipment, please note that trouble might appear on the display. Also, please use security measures when using the Internet.

- In case of connecting multiple PCs simultaneously

The PC prepared by Show Management Office is one per venue. If you are using more than one PC, please bring your own personal computer after the second one. However, please note that simultaneous projection is impossible.

## Preliminary preparation · Procedure for distributing materials at the venue

Show Management Office's staff will support distribution and collection of your brochures, attendee survey on site. If you would like to distribute session materials and corporate outline at the time of the session, please prepare it in the following manner after entering the details in No4 "PC Equipment / Environment" form.

- Important notice on advance preparation

- Please prepare session materials for audiences at each company. (Show Management Office will not print materials)
- Regarding the quantity, please prepare the number of venue seating plus spare parts. (Please contact each sales representative for pre-registration status.)
- Distributing materials have to be one set including survey. If you have more than one distributing item, please enclose them in the envelope or proper bag prior to the show. There is no space for enclosing distributing materials on site and Show Management Office will not enclose materials.
- In case of setting up a business card pasting column in questionnaire, please paste double-sided tape in advance.
- Please provide appropriate number of sets by asking the registration status to our sales staff.
- The collected questionnaire and the rest of the materials will be delivered to the booth by the staff. If you do not have a booth, we will give them to the person in charge or the speaker at Show Management Office so please be sure to drop in at Show Management Office after the seminar. Please note that we can not keep them for a long time at Show Management Office or return at a later date.

- Distribution of materials /Staff

- Distribution of materials to audiences before the start of the session will be carried out by Show Management Office's staff.

- Notes on simultaneous interpretation session

The meeting time with interpreters will be announced separately from Show Management Office around late May. **We will share the session materials with interpreters, so please submit it until the deadline.** Please also cooperate in submitting both documents in case of preparing materials both in Japanese and English.

We do not distribute simultaneous interpretation equipment to the audience. On the day of the event, the audience can listen to simultaneous interpretation on their own smartphones through a cloud-type simultaneous interpretation system.

Please use "courier" for carrying in / out. Please understand that we can not accept to carry in / out by deliveries without hiring a courier company, such as charter service due to loading / unloading exit at the venue. Please confirm the following and arrange for sending. If you bring it directly, paste the package label and bring it to Conference Show Management Office at room 205 on the second floor in the International Conference Hall. Also, please refrain from bundling with other items than the keynote session.

When sending distribution to the venue via delivery services, please make sure to specify the delivery date.
